Brand

YANG YANG A badminton brand founded on 11 July 1994 with World Badminton Legend. The first Olympic Badminton Gold Medalist, *Mr. Yang Yang*, as one of the company's founder. **Yang Yang** offers a wide range of the quality products for sports use, especially in badminton series products and providing sourcing and professional coaching services for the development benefit of the badminton games world wide.

YOUNG comes from our passion to support young people doing sports or being active by providing them with functional and stylish outfit & gear. Whether on or off court, across the street, or in their own backyard.

Slogan: Endless Possibilities

ABOUT US

After 27 years of perseverance and dedication, the brand **YANG YANG** has managed to stamp its mark around the world. With the goal to serve the wider community of sports lovers through the eye of fashion and trendy outlook, **Ruby Glamour Sdn.Bhd.**, the mother company of the brand **YANG YANG**, has decided to introduce another brand, **YOUNG** to cater for the younger generation.

OUR VALUES

Innovative

Our design team are attentive to detail, making product worthwhile for the user.

Sustainable

We conserve an ecological balance by avoiding depletion of natural resources.

Fun

Our product are enjoyable to use with #endless possibilities

Competitive

We offer a highly competitive pricing range, from student to professional levels, ensuring our products are affordable for everyone.

YOUNG is the next-generation brand, evolved from **Yang Yang**, embodying new dreams, fresh hope, and a bold, new direction.

YOUNG values an active lifestyle, no matter where you're headed or what you're doing. With **YOUNG**, you're empowered to live your active life to the fullest, embracing freedom, beauty, and vitality. The brand celebrates the beauty of movement and encourages everyone to pursue their passions, staying true to their unique path. **YOUNG** isn't just about style—it's about living boldly and beautifully, enhancing your journey with every step.

Teamwork

We love everyone working together. We believe everyone has their 'talent'.

Responsive

We are attentive to your suggestion, we will respond to you.

Excellence

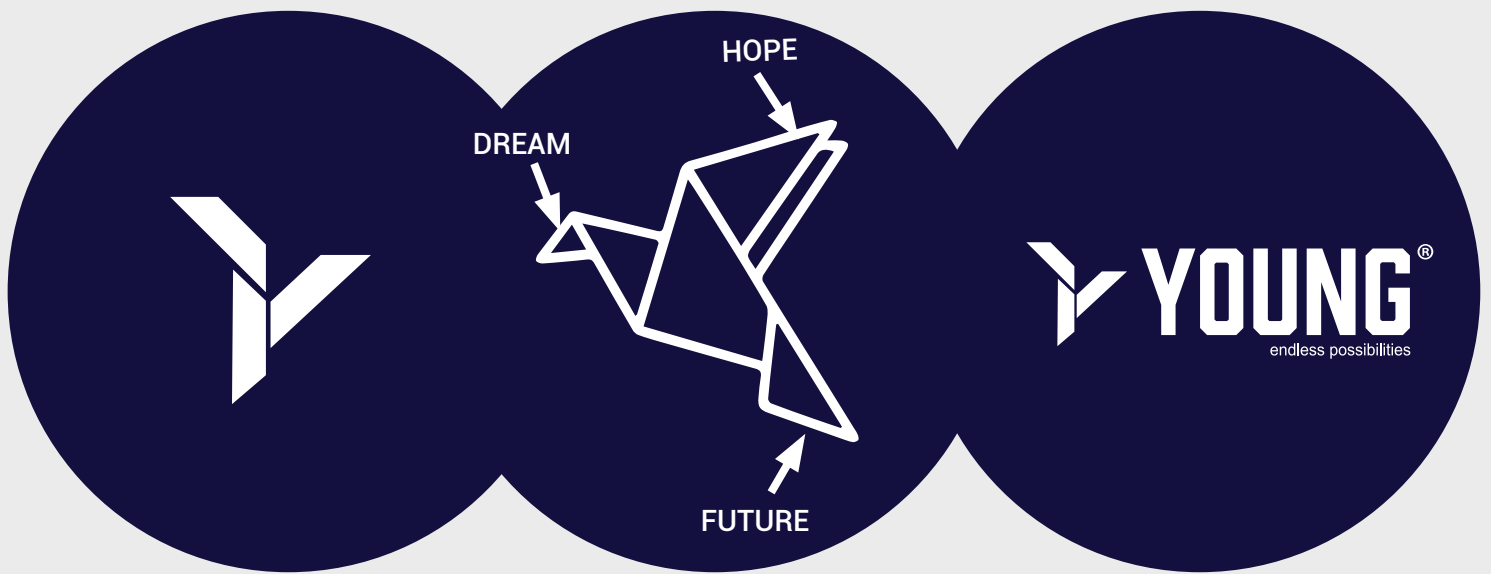

We only aim on being outstanding or extremely good.

Integrity

We do business in being honest and having strong moral principles.

LOGO

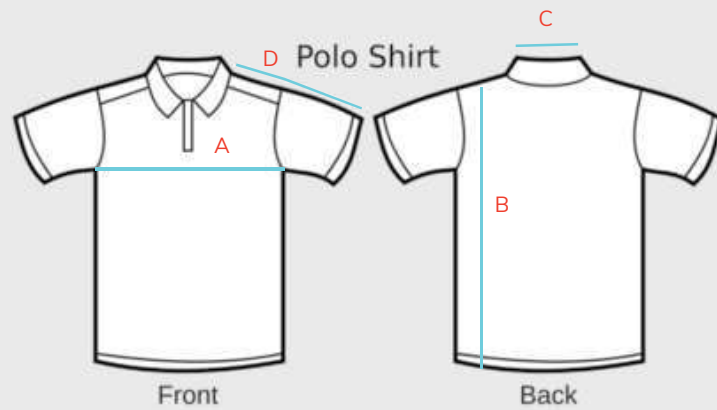

Our logo, inspired by the traditional Japanese origami crane, embodies the ideals of future, dreams, and hope, encouraging individuals to aspire toward betterment in all endeavors. The accompanying tagline, “Endless Possibilities,” reinforces this sentiment, suggesting that the future holds limitless opportunities for those who dare to dream. This emblem serves as a beacon, motivating people to pursue their aspirations with confidence and optimism, knowing that the potential for growth and achievement is boundless.

SPEED

WINNING IS BEING THAT SPLIT-SECOND FASTER

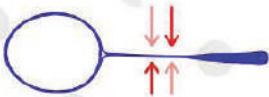

YOUNG

FLASH SERIES

Isometric Frames

Provide larger sweet spot and increase the accuracy to perform more quality shots. Increase the service life of the racket.

Super Slim Shaft

Designed to minimize friction in the air and obtain a faster swing speed. Provide additional offensive options and perform fast and powerful shots.

Protrusion Power Technology

Produces faster swing speeds for bigger smashes and gains extraordinary experience.

Nano Carbon

Nano technology increases the racket's durability, toughness, flexibility and elasticity. Especially for lightweight racket, this low-density material contains high tensile strength which indirectly increase the durability of racket.

Japan Made High Modulus Graphite

40T Japan Made Modulus Graphite enhances the racket's strength and toughness until it can endure extremely high tension. It also produces high repulsive force. Suitable for power, attacking and aggressive play 4.

ULTRA OPTIMUM FRAME

Ultra optimized frame design improves racket mechanical structure for more efficient attack. The sweet point extends upward and the hitting point is moved to the head, enlarging the hitting point is moved to the head, enlarging the defense area for powerful smashes. The hitting velocity is improved with widened stringing area and increased bounce strength.

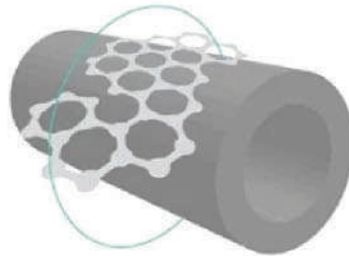

32 LBS MAX TENSION

Aero 9000 Blast, a legendary racket known for its high tension capacity up to 32LBS and extreme durability from Young.

UHM JAPANESE GRAPHITE

The racket is made of ultra high modulus carbon graphite material which has higher strength and rigidity properties. It avoids frame deformation and twisting, provides you a more stable and accurate attack point.
